Guidelines / Suggestions:

- Only the front bottom corner (folded portion of bandana) will display.
- Plain black bandanas are preferred – Red or Blue will be less likely to show.
- Use any method you like – screen print, paint pens, stencils, or just slap a sticker.
- We are trying to keep a uniform look so keep it simple – no giant murals, collages, etc.
- We want this show to be very accessible to all so we suggest a value of \$20 per piece.
 - Include promo materials (especially stickers, t-shirts, etc.) for free distribution.
 - Ship with tracking or at least send an email to make sure we got your package.
